Family Day
Feast of Tabernacles 2012
Seaside, Oregon
Job 12:7-10 (The Message)

7 "But ask the animals what they think — let them teach you; let the birds tell you what's going on.

8 Put your ear to the earth — learn the basics. Listen — the fish in the ocean will tell you their stories.

9 Isn't it clear that they all know and agree that God is sovereign, that He holds all things in His hand —

10 Every living soul, yes, every breathing creature?
The scout bee that arrived at feeder #1 was marked with a yellow dot.
The scout bee that arrived at feeder #2 was marked with a yellow line.
The scout bee that arrived at feeder #3 was marked with a yellow cross.
Only the bees with dots visit feeder number one.
Only the bees with lines visit feeder number two.
Only the bees with crosses visit feeder number three.

In all three cases, the bees only visited the feeders that they were told about.
The bees only take enough fuel to reach the flowers that they are to work
Prov 3:5 (ESV)

5 Trust in the LORD with all your heart, and do not lean on your own understanding.
The six-sided honeycomb is the perfect shape for maximum storage space and strength using minimal materials.
Deut 8:8-10 (NKJV)

8 a land of wheat and barley, of vines and fig trees and pomegranates, a land of olive oil and honey;

9 a land in which you will eat bread without scarcity, in which you will lack nothing; a land whose stones are iron and out of whose hills you can dig copper.

10 When you have eaten and are full, then you shall bless the Lord your God for the good land which He has given you.
